ERDINGER

Pikantus

With over 7 % alcohol, the dark and strong-tasting ERDINGER Pikantus is the heavyweight in ERDINGER's wheat beer family.

However, it's malty and slightly sweet flavor make it a true delicacy.

ERDINGER

Leicht

Although ERDINGER Weissbier Light has less alcohol and calories than regular wheat beer, it's flavor is hardly different. Even dedicated wheat beer experts have difficulty telling the difference and are full of praise for it's full-bodied flavor.
