Our Beer specialties

**ERDINGER**

**Pikantus**

„The erdinger aperitif experience“

As a delicious appetizer before any meal, Pikantus is served nicely chilled in selected sommelier glasses. This dark, coffee-colored beer with light brown foam has a full-bodied and spicy flavor.

**ERDINGER**

**Weißbier**

ERDINGER Weissbier with the fine yeast is traditionally matured in the bottle and in the keg - like champagne. It’s cloudy, golden color with bright white head is paired with a slightly sweet and somewhat citrusy aroma with a hint of clove.

**Pikantus**

With over 7 % alcohol, the dark and strong-tasting ERDINGER Pikantus is the heavyweight in ERDINGER’s wheat beer family. However, it’s malty and slightly sweet flavor make it a true delicacy.

**ERDINGER**

**Kristall**

This yeast-free, crystal-clear wheat beer combines a sparkling, lively taste with the natural character of a wheat beer. A clean, clear, tasty and very drinkable wheat beer.

**Leicht**

Although ERDINGER Weissbier Light has less alcohol and calories than regular wheat beer, it’s flavor is hardly different. Even dedicated wheat beer experts have difficulty telling the difference and are full of praise for it’s full-bodied flavor.
